VOLUNTEERS AND THE PARK

Cromwell Valley Park is a unique and wonderful place to spend time, which is why there are currently about 100 program participants each day. The Park relies on volunteers to be able to offer programs that appeal to all ages and interests. Volunteers participate in programs of interest to them and suit their individual schedules. From a 5 year old boy after participating in the children's fall education program making apple cider " *this is the most awesome thing I've ever done in my life!*".

Please indicate your interest and join us in a special and rewarding experience.
