

LOVE NOTES

Throughout 2020, we received notes from park visitors thanking us. Here are two we especially like:

"The park is amazing and continues to improve every year. This year it literally saved my husband's life. For a couple of days when he walked the hill at Sherwood, he would get a slight tightness in his chest. He didn't have the sensation any other time but it was enough for him to know something wasn't right. Several tests later, he was diagnosed with a 90% blockage in an artery and had a stent inserted. He now has a clean bill of health and is back to his near daily walks at CVP. We're so grateful for a good outcome and a beautiful park so close to home. We are truly blessed." CR

Our generous donors permit us to address special needs in our park for projects outside of Baltimore County's budget. We are able to serve a wider audience while improving the natural setting in Cromwell Valley, which is enjoyed by our entire surrounding community.

Thank you to the generous supporters who made the purchase of our 2020 John Deere Gator possible. 72 donors contributed to this campaign either through direct donations, Facebook Giving, or Art Show purchases. 52 of those donors gave \$99 or less, demonstrating how small, individual contributions combined can make a significant impact to our non-profit organization.

Special donor recognition goes to Baltimore Road Runners Club, The Henry & Leigh Peck Charitable Fund, Dr. Pat Kingman and Brian and Mia Walsh for contributions of \$1,000 or more to the Gator Campaign.

Art Show FUNDRAISER

In March 2020, we held our first Art Show Fundraiser, made possible by the many generous photographers who contributed their digital images of CVP's landscapes, wildlife and flora.

Printing their images on both photograph paper, as well as framed canvas prints, the Council hosted patrons for wine and light appetizers while they perused the artwork, buying items to take home and hang on their walls. Patrons were able to speak to the photographers about their work, inspiration and favorite places to shoot in the park.

This event netted almost \$2,000 in monies which were used towards the purchase of a new John Deere Gator for our Trails Committee.

Please tag us in your social media posts with pictures of CVP!

Special thanks to Doug Lake, Randall Peck, Dave Hepner, Dennis Murphy, Mike McCloskey, Bobby Phillips, Yuri Chaban, Mia Walsh, Michelle Monaghan, Laura Simms and Rose Wolfe for their support.
